

Urdrucke *fs*-251

Lösungen bis 24. August 2023 an Thomas Marx, Töpferstraße 21, D-41515 Grevenbroich

Einsende-Publikations-Datum: 31. Dezember 2022

Nachdem der Urdruckteil von *f*-250 am 12. Dezember 2022 auf www.feenschach.de vorveröffentlicht wurde, machte sich offenbar wieder Mut unter den *f*-Autoren breit, so dass wir einen stattlichen Urdruckteil aus den seither und bis zum Jahreswechsel (31. Dezember 2022, 23:59 Uhr) eingesandten Problemen komponieren konnten, der den Jahrgang 2022 abrundet.

Ein trauriges Bild stellt die Liste der Preisrichter sowohl für das Jahr 2022 als auch für das Jahr 2023 dar – bitte melden Sie sich, wenn Sie eines (oder mehrere!) der Turniere übernehmen möchten!

Ein Lexikon mit allen Märchenschachbegriffen, die in diesem Urdruckteil vorkommen (und vielen weiteren), finden Sie im Internet unter

<http://www.dieschwalbe.de/lexikon.htm>

Sollten Sie darüber hinaus zu den Urdrucken weitere Erläuterungen benötigen, mailen Sie mir einfach! Viel Spaß beim Lösen und Kommentieren! (HG)
